

Harvest Thanksgiving Service at Headingley Hall. As many of you will know, Headingley Hall is a care home on Shire Oak Road which has provided a wonderful home for a number of our older members over the years. For several years now the Bible Study group we attend has led short services at the home at Christmas, at Easter, and at Harvest Thanksgiving. These are always warmly received by the residents, and also bless those of us who attend to lead the service. This year the Harvest Thanksgiving service will be at 7pm on Wednesday 26th September and we wondered if any from the Headingley congregations might wish to join us? No special skills required, just a willingness to join in the singing and to have a chat to some of the residents at the end of the service. If interested, please contact either John or Barbara Crosse or via the Church Office.

New Data Protection Regulations (GDPR) that came into force on 25th May 2018 have led to a change in the way in which South Parade Baptist Church controls how we hold and process information about people like you who wish to be associated with us. If you wish to remain in contact with us and have not received a personal email asking for confirmation that you have read our privacy notice, please inform secretary@spbc.org.uk
